form submit submit   input value

Jquery   form submit()   input   value

1.   .
2.   insert   .
3. (   )form   submit()   input   checkbox
   .
4.   REKMS   .

```php
<php>
            //ID  checkValue_insert
            </php>
            $('#checkValue_insert').click(function(){
                    var result = txtFieldCheck() == true ? true :
false;

                    // txtFieldCheck()    true
                    if(result)
                    {
                            // id  insert_frm    form   submit()
action(    )            .
                //                                          action
            .
                //(    )     ,      action                        .
                            $("#insert_frm").attr("action",
"/REKMS/site/siteListInsert.do");
                            $("#insert_frm").submit();
                    }
            });
            function txtFieldCheck(){
            // form          input text type
                    var txtEle = $("#insert_frm input[type=text]");
                    // form     input text type       for        .
                    for(var i = 0; i < txtEle.length; i ++){
                            // input           value          .
                            if("" == $(txtEle[i]).val() || null ==
$(txtEle[i]).val()){
                                    //value          input id          .
                                    var ele_id = $(txtEle[i]).attr("id");
                //   id   label              .
                                    var label_txt = $("label[for='" +
ele_id +"']").text();
                                    showAlert(ele_id, label_txt);
                                    return false;
                            }
                    }
                    //for      input value  null         true  return
 .
                    return true;
            }
```
