jQuery   HTML   .

What are Events?

                                                       (actions)   .

                                              :

-
-
-

"fires / fired"   .   : "
              ."

                              DOM   .

Mouse Events	Keyboard Events	Form Events	Document/Window Events
click	keypress	submit	load
dblclick	keydown	change	resize
mouseenter	keyup	focus	scroll
mouseleave		blur	unload
